*Your dream job as an Assistant in Nursing awaits –
Are you ready to make it a reality?*

This pathway is perfect for candidates eager to apply their skills in an Assistant in Nursing (AIN) role while completing their registration process within six months. At this stage, MWT Australia will arrange interviews with potential employers, and upon selection, MWT Australia will assist with Visa Documentation to facilitate your relocation to Australia.

Moreover, MWT Australia will coordinate your 2-week OSCE Theory Training at our partnered institute, IHM Australia, ensuring comprehensive preparation for your role.

Eligibility Criteria:

- Language Requirement IELTS Overall 6.5 not less than 6 in each module / PTE - Overall 56, Not less than 46 in each module / OET - All band B
- Clear NCLEX-RN Exam.
- One to two years of practical nursing experience.
- Have completed a Bachelor of Nursing degree or an equivalent qualification.
- Be a registered nurse with the Nurses' Board/Council from the country of origin or place of residence.

Comprehensive Services and Components Included:

- Completion of a mandatory 120 hours Practical Experience Placement (PEP) within Australia, which fulfills the requirement for the enrolled Certificate III qualification (Optional).
- Specialized 2 weeks OSCE theory training provided by IHM Australia, designed to prepare candidates for success in their OSCE examination.
- An Australian Nursing Practice Unit, which offers an in-depth understanding of nursing practices within the Australian healthcare context.
- Job placement assistance through MWT Australia's network of partnering employers, offering positions as an Assistant in Nursing (AIN) or Personal Care Worker.

This pathway is meticulously structured to ensure that candidates are not only prepared for their examinations but are also supported in securing employment as AIN / Care Giver that complements their skillset and experience.

By choosing this option, candidates will benefit from a comprehensive support system that facilitates their transition into the Australian nursing workforce with confidence and competence.

STAGE 3: PLACEMENT
